---

**Objective** Searching for a full time position in an architectural engineering firm with an emphasis in structural design, as well as architectural design and sustainable development.

**Education** Bachelor of Architectural Engineering, Structural Option, May 2008  
Five year professional degree, ABET accredited  
*The Pennsylvania State University*, University Park, Pa  
Cumulative GPA 2.96/4.0

## Relevant Courses

Architectural Building Materials	Indeterminate Analysis
Concrete Design I & II	Steel Design I & II
Construction Engineering	Structural Analysis
Design Analysis	Timber Design
Design / Planning I & II	Wastewater Management /
Engineering for Sustainability	Green Roof Design

## Experience

### H.F. Lenz Company

Summer 2006 Structural Intern Johnstown, Pa

- Improved skills and knowledge of structural drafting and detailing, cost estimates, and steel design.

### Marc Anthony Construction

Summer 2007 Project Management Intern Pittsburgh, Pa

- Learned many basic aspects of managing a small construction company through scheduling, estimating, preparing bids, and soliciting subcontractors for specialized assistance.
- Aided project managers and superintendents with job preparation by procuring materials, necessary tools, and any other information needed for construction work local and abroad.

### Creations in Concrete

Summer 2004 Concrete Laborer Pittsburgh, Pa

- Learned many applications of placing concrete.
- Gained first hand experience with the construction industry.

## Computer Skills

AutoCAD	Autodesk Revit	Staad
Enercalc	Microsoft Office	RAM
