Plainsboro, NJ

Proposed Presentation Outline – 3-Screen Format

I. Introduction

- A. Title Slide (1 screens)
- C. Building Statistics/Site Map (2 screens)
- E. Architecture (2 screens)

II. Existing Structural System

- A. Summary (1 screen)
 - i. Existing Structure (3 screens)

III. Goals (1 screens)

IV. Proposed Solution (2 screens)

V. Structural Depth Designs

- A. Gravity Redesign (4 screens)
- B. Lateral Redesign
 - i. ETABS Model (1 screens)
 - i. Lateral Forces (3 screens)
 - i. Moment Frames Design (1 screens)
 - i. Shear Wall Design (1 screens)
- C. Vibration Concern (1 screen)

VI. Comparison of Designs

- A. Cost Comparison (1 screen)
- B. Schedule Comparison (1 screen)

VI. Conclusion

- A. Acknowledgments/Request for Questions (1 screens)

Total Screens: 26 screens
