#### Final Presentation Slide Outline

1. Introduction – 1 slide
2. Project Overview
  - a. Project Background – 1 slide
3. Analysis 1- Rooftop Solar Panels
  - a. Problem Identification – 1 slide
  - b. Components – 1 slide
  - c. Feasibility Analysis – 1 slide
  - d. Electrical Breadth – 2 slides
  - e. Conclusion and Recommendation – 1 slide
4. Analysis 2- Historical Requirements
  - a. Requirements – 1 slide
  - b. Consultant Firm – 2 slide
  - c. Conclusion and Recommendation – 1 slide
5. Analysis 3- Prefab Exterior Walls
  - a. Current vs. Prefab Façade – 1 slide
  - b. Panel Design – 1 slide
  - c. Panel Implementation – 1 slide
  - d. Conclusion and Recommendation – 1 slide
6. Final Recommendations – 1 slide
7. Acknowledgements – 1 slide
