

**ENVIRONMENTAL ENGINEERING MINOR
APPLICATION FOR ADMISSION**
Department of Civil & Environmental Engineering

Student Name: _____ PSU ID: _____

Local Address/Telephone #: _____

Email: _____ Major: _____ Semester Standing: _____ Graduation Date: _____

Prerequisites

At the time of the application, students must be at least 5th semester standing, have a minimum cumulative GPA of 2.0, and have completed CHEM 110 GN, MATH 141 GQ, and PHYS 211 GN with a grade of "C" or better in each course.

Requirements & Instructions

The Minor consists of 18 credits: at least 6 credits must be at the 400 level. A grade of C or better is required in all courses in the Minor. From the drop down list below, please select all of the courses that you plan to take to satisfy these requirements. Note that the Minor cannot guarantee entrance into departmentally controlled courses and therefore approved substitutions may be necessary. The proposed course plan should be discussed with your academic (major) advisor and signed. **Return this form, along with an unofficial transcript, to Heather Hamby in 218 Sackett Building for further processing.** A certificate will be awarded upon successful completion of the minor requirements.

Course Number	Course Title (Design Credits/ Total Credits)
Take 3 credits in Environmental Engineering: C E 370 Introduction to Environmental Engineering	
Select 3 credits in Chemistry and Biological Sciences: Choose an item.	
Select 0 - 3 credits in Process Engineering: Choose an item.	
Select 3 credits in Applied Fluid Mechanics: Choose an item.	
Select 6 - 9 credits in Environmental Sciences and Design: Choose an item. Choose an item. Choose an item.
