

The Department of Architectural Engineering at Penn State is proud to support the Professional Lighting Design Convention, PLDC 2015 as a Partner University. The biannual Convention, organized by VIA-Verlag, publisher of the PLD magazine, was created for the global lighting design market. Designers, lighting architects, researchers, universities, industry and clients use PLDC as a platform to meet, learn about the latest developments in lighting design, and discuss the future of the lighting profession. PLDC stands for high quality knowledge transfer and international networking opportunities.
