

*PROJECT NAME*

Zachary Yarnall  
Structural Option  
Prof. Parfitt

**Milestones**

- 1 Analysis of the alternative lateral systems and determination of new seismic factors
- 2 Propose a lateral system and determine new lateral loads
- 3 Design blast resistant glass facade
- 4 Finalize the Final Report

|          |   |
|----------|---|
| Complete | Seismic Analysis                        |
| Complete | Breadth Topic 1: Cost/Schedule Analysis |
|          | Breadth Topic 2: Building Enclosures    |
