

## **Introduction** – 3 slides

Building Orientation and Overview

## **Overall Design Concept** – 2 slides

## **Lighting introduction** – 1 slide

- Outdoor plaza [**exterior space**]
  - [**lighting depth**] design goals, criteria, equipment, results, renderings - 4 slides
- Gymnasium [**M.A.E./acoustic focus**]
  - [**M.A.E. focus**] daylighting (analysis, controls, and results) – 5 slides
  - [**acoustic breadth**] removing acoustic ceiling for daylights – 2 slides
- Restaurant – [**special purpose space**]
  - [**lighting depth**] design goals, criteria, equipment, results, renderings – 4 slides
- Lobby – [**circulation space**]
  - [**lighting depth**] design goals, criteria, equipment, results, renderings – 4 slides
- Fitness center – [**large workspace**]
  - [**lighting depth**] design goals, criteria, equipment, results, renderings – 4 slides
  - [**electrical depth**] kinetic power generation for LEDs – 4 slides

## **Summary** – 1 slide

## **Acknowledgements** – 1 slide

## **Questions** – 1 slide

Total Slides = 40
