610-573-1401

(Currently)
825 Bellaire Ave. Apt. X210
State College, PA 16801

(Permanent)
311 Mulberry Drive
Walnutport, PA 18088

OBJECTIVE

To obtain an entry-level position in Architectural Engineering focusing in project and field management.

EDUCATION

The Pennsylvania State University
Bachelor of Architectural Engineering, Construction Option
Five-Year ABET Accredited Degree

University Park, PA
GPA 3.14/4.00
Expected Graduation: May 2011

EXPERIENCE

HESS Construction + Engineering Services Intern

**Gaithersburg, MD
May 24, 2010 – August 13, 2010**

- Project Info: Carderock Springs Elementary School, \$22 Million, 80,000 SF.
 - Assisted with resolving field issues as well as supervising fieldwork.
 - Managed a Punchlist prior to obtaining substantial completion.
 - Involved in progress meetings with the owner and architect on a bi-weekly basis.
 - Managed two subcontractors and co-managing a third subcontractor.

Self - Employed

**Allentown, PA
Summer 2009 – April 2010**

- Drafted an alternate plan to transform the layout of an existing 5,000 SF building into a restaurant. Submitted these plans into the Allentown Health Department into review and successfully met all requirements.
- Created a new floor plan to convert an 18,000 SF factory into a 25-unit apartment complex using Revit Architecture 2009 and AutoCAD 2008.

SKILLS

- Revit Architecture 2008-2010
- AutoCAD 2008-2010
- OSHA 10 Hour Certified
- Fluent Arabic Speaker
