Directions to obtain a Friends of Penn State (FPS) computer account.

Go to https://fps.psu.edu/

Click on the left tab “Create an Account”

Complete the form. Make sure you write down your password. It will disappear the instant you click SUBMIT.
Create a Digital Identity

Fill in the form below to create your FFS digital identity. If your account has been migrated (for example, if you graduated or if you received an account as a prospective student, were offered admission and then accepted to attend Penn State), then you don’t need to fill out this form.
