

Request for Follow-up Meetings or Departmental Workshops

- I would like to meet with the workshop team to discuss possible future actions in my department or unit
- I would like to have this workshop presented to my faculty or organization
- Please contact me regarding

Future Meeting Topics related to Teaching and Learning

Please indicate ideas or practices that arose during the workshop that you feel deserve further attention within your department or unit.

Please indicate other topics related to teaching and learning that you feel should be addressed in the future within your department or unit.
