Design Theme

Overall Design Goals

- ⌘ Guide visitors through the irregular shape building with light
- ⌘ Provide a modern appearance
- ⌘ Present this building as the “pearl” of the campus as Kean University intended
- ⌘ Provide sufficient light levels for students

Redesign Space Choices

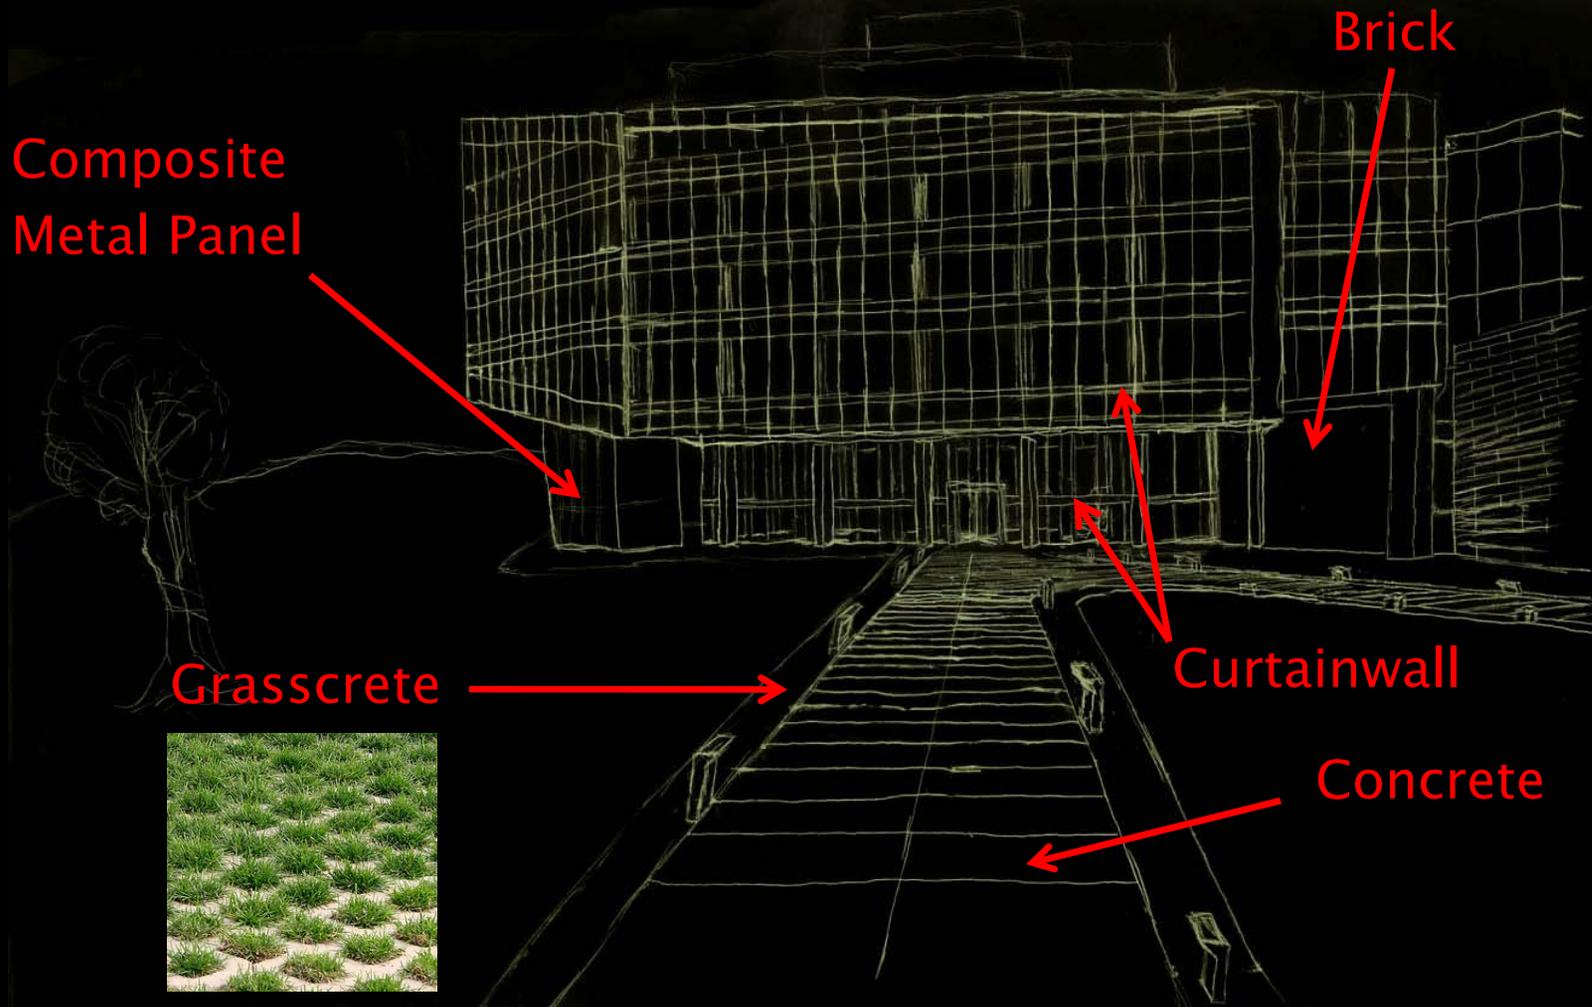

Outdoor Space in front of south
façade

Design Goals

- ⌘ Achieve impression of visual clarity
- ⌘ Emphasis of whiteboard
- ⌘ Adequate illuminance for learning
- ⌘ Minimize glare for students

Auditorium

Design Goals

- ⌘ Achieve impression of public atmosphere
- ⌘ Translate grandeur of building into this important space
- ⌘ Light to guide to different spaces
- ⌘ Cool Tones for daytime and warm tones for nighttime if possible
- ⌘ Accent café area and curved ceramic tile wall
- ⌘ Daylight integration

Outdoor Space

Classroom

Lower Lobby

Auditorium

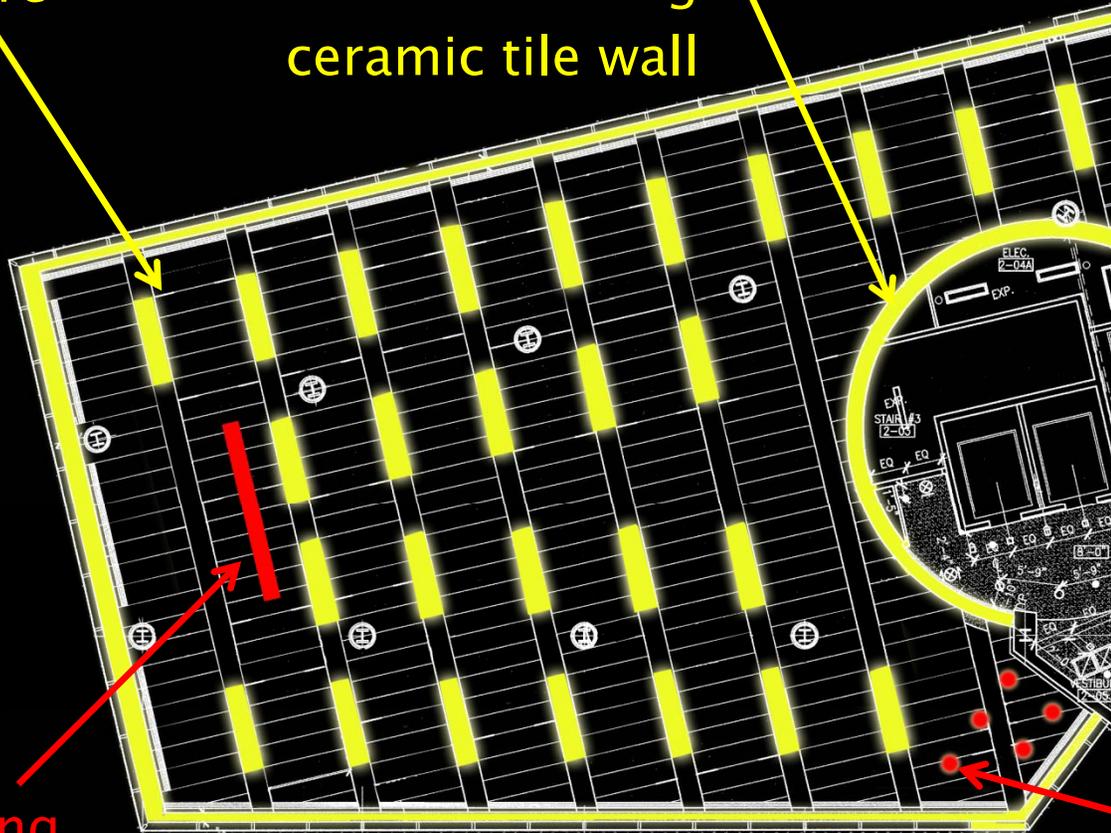

Option 1

Linear recessed luminaire

Cove lighting for accenting ceramic tile wall

Track lighting for presentations

Pendants for café area

Outdoor Space

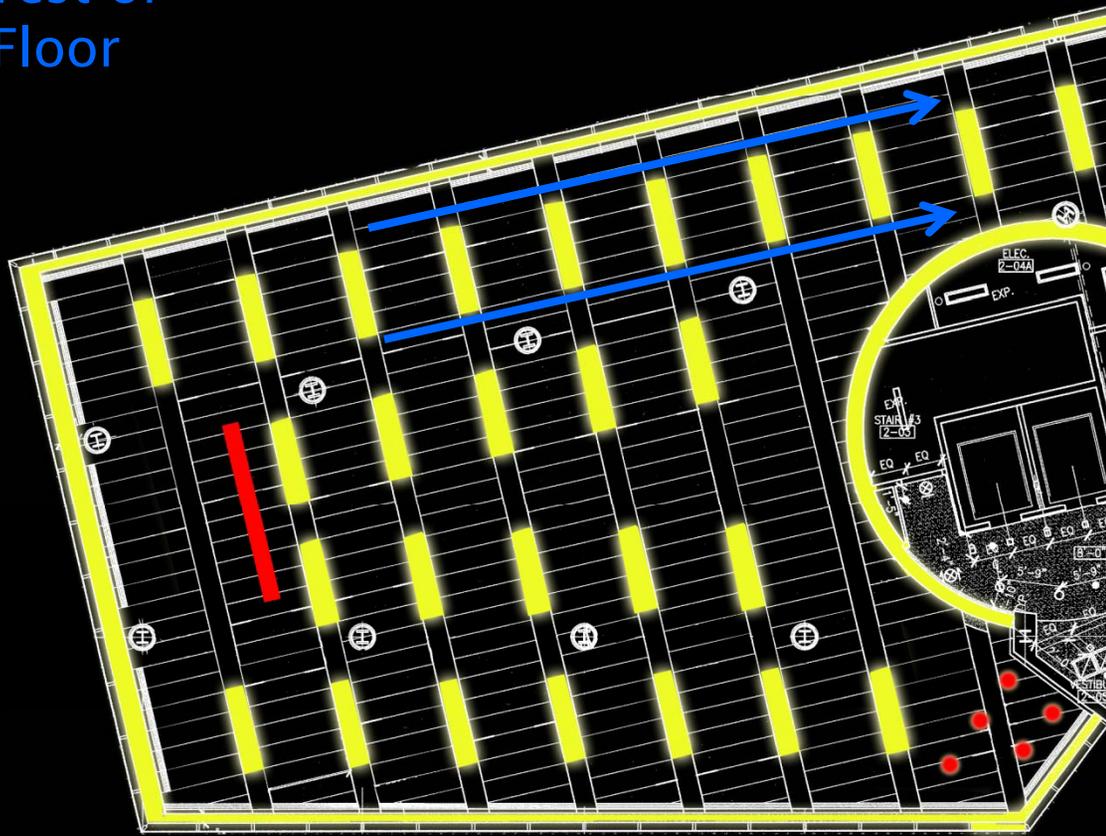

Classroom

Design Goals

- ⌘ Conceal light to not take away from architecture
- ⌘ Provide a modern appearance
- ⌘ Controls for different scenes
- ⌘ Accent interesting ceiling and staggered walls
- ⌘ Provide sufficient light levels for students
