

**Executive Summary ..... 4**

**Introduction..... 5**

**General Information ..... 6**

    Architecture ..... 6

    National Codes ..... 6

    Building Envelope..... 7

    Construction..... 7

    Structural..... 7

    Mechanical ..... 8

    Lighting/Electrical..... 9

    Fire Protection..... 10

    Transportation ..... 11

    Telecommunications..... 11

**Acknowledgements ..... 12**

**Structural Depth ..... 13**

    Existing Typical Floor Plan..... 13

    Floor Framing ..... 14

    Foundation ..... 15

    Roof..... 15

    Columns ..... 16

    Lateral Force Resisting System..... 16

    LRFD Load Combinations ..... 17

    Original Design Loads..... 17

    Problem Statement..... 19

    Preliminary Redesign ..... 21

    New Design Loads ..... 22

    Lateral Framing ..... 23

    Vibration Analysis..... 24

    Foundation Redesign ..... 26

**Construction Management Breadth ..... 27**

**Sustainability Breadth..... 29**

**Conclusion ..... 32**
