Lighting Design Concept is inspired by the meaningful interpretation of **“The Star of David”**

Through the Jewish people's long and often difficult history, they have come to the realization that their only hope is to place their **Trust in GOD.**

The six points of the Star of David symbolize
God's rule over the universe in all six directions:
north, south, east, west, up and down.

This **Inner Core** represents the **Spiritual Dimension**, surrounded by the six universal directions.
