

Outline-Static, far left screen throughout presentation

Title Slide (1 Slide)

Introduction (1 Slide)

Analysis 1 (Breath Topic): Green Roof (9 Slides)

- Introduction to Analysis
- Green Roof Properties
- Structural Impact/Analysis
- Constructability Analysis
- Schedule Impact/Analysis
- Analysis Conclusion

Analysis 2 (Breath Topic): Geothermal (7 Slides)

- Introduction to Analysis
- Geothermal System Properties
- Schedule Impact/Analysis
- Life Cycle Analysis
- Analysis Conclusion

Analysis 3: Prefabrication (5 Slides)

- Introduction to Analysis
- Prefabricated System Properties
- Schedule Impact/Analysis
- Constructability Analysis
- Analysis Conclusion

Analysis 4: LEED Certification (5 Slides)

- Introduction to Analysis
- Requirements Currently Met
- Additional Requirements
- Estimated Costs of Additional Requirements
- Analysis Conclusion

Acknowledgements (1 Slide)
