

Brady Sheerin

Advisor: Dr. Anumba

Presentation Outline Total Slides = 34

Introduction/Building Overview – 5 slides

- Project Participants
- Project Background
- Site Background
- General Building Information

Analysis #1 Geothermal – 8 slides

- Problem Identification
- Current System
- Proposal
- Mechanical Breadth
- Structural Breadth
- Results
- Conclusion

Analysis #2 SECS – 6 slides

- Problem Identification
- Research
- Proposal
- Payback
- Conclusion

Analysis #3 Alternate Delivery Method – 6 slides

- Project Identified
- Current Method
- Proposed Method
- Potential Impacts
- Conclusion

Analysis #4 Precast Facade – 6 slides

- Problem Identified
- Possible Solution
- Scheduling Impact
- Cost Impact
- Conclusion

Presentation Summary – 1 slide

Acknowledgements – 1 slide

Questions – 1 slide
