Penn State Engineering  
Click campus abbreviation for more information about a major.
Start at any undergraduate campus, end at the campus(es) indicated.

4-Year Engineering:
• Aerospace Engineering – UP
• Architectural Engineering – UP
• Biological Engineering – UP
• Biomedical Engineering – UP
• Chemical Engineering – UP
• Civil Engineering – HB, UP
• Computer Engineering – ER, UP
• Computer Science – AB, ER, HB, UP
• Computational Data Sciences – UP
• Electrical Engineering – ER, HB, UP
• Energy Engineering – UP
• Engineering Science – UP
• Engineering:
  – Alternative Energy and Power Generation – HN
  – Applied Materials – DS
  – Multidisciplinary Engineering Design – AB, BW
• Environmental Systems Engineering – UP
• Industrial Engineering – ER, UP
• Interdisciplinary Business w/ Engineering Studies – ER
• Materials Science and Engineering – UP
• Mechanical Engineering – BK, ER, HB, UP, WS
• Mining Engineering – UP
• Nuclear Engineering – UP
• Petroleum and Natural Gas Engineering – UP
• Rail Transportation Engineering – AL

4-Year Engineering Technology:
• Electrical & Computer Engineering Tech – ER
• Electrical Engineering Tech – HB, WB
• Electro-Mechanical Engineering Tech – AL, BK, FE, NK, YK
• Mechanical Engineering Tech – ER, HB
• Plastics Engineering Tech – ER
• Structural Design & Construction Engineering Tech – HB

2-Year Engineering Technology: (Start and finish at same campus)
• Biomedical Engineering Tech – NK
• Electrical Engineering Tech – FE, ER, YK
• Mechanical Engineering Tech – DS, ER, YK
• Surveying Engineering Tech – GA, WB
