4-Year Engineering:

- Aerospace Engineering – **UP**
- Architectural Engineering (5 year program) – **UP**
- Biological Engineering – **UP**
- Biomedical Engineering – **UP**
- Chemical Engineering – **UP**
- Civil Engineering – **HB, UP**
- Computer Engineering – **ER, UP**
- Computer Science – **AB, ER, HB, UP**
- Computational Data Sciences – **UP**
- Electrical Engineering – **ER, HB, UP**
- Energy Engineering – **UP**
- Engineering Science – **UP**
- **Engineering:**
 - Alternative Energy and Power Generation – **HN**
 - Applied Materials – **DS**
 - Multidisciplinary Engineering Design – **AB, BW**
- Environmental Systems Engineering – **UP**
- Industrial Engineering – **ER, UP**
- Interdisciplinary Business w/ Engineering Studies – **ER**
- Materials Science and Engineering – **UP**
- Mechanical Engineering – **AL, BK, ER, HB, UP, WS**
- Mining Engineering – **UP**
- Nuclear Engineering – **UP**
- Petroleum and Natural Gas Engineering – **UP**
- Polymer Engineering and Science – **ER**

- Rail Transportation Engineering – **AL**
- Software Engineering – **ER, WC**
- Surveying Engineering – **WB**

4-Year Engineering Technology:

- Electrical & Computer Engineering Tech – **ER**
- Electrical Engineering Tech – **HB, WB**
- Electro-Mechanical Engineering Tech – **AL, BK, FE, NK, YK**
- Mechanical Engineering Tech – **ER, HB**
- Plastics Engineering Tech – **ER**
- Structural Design & Construction Engineering Tech – **HB**

2-Year Engineering Technology: (Start and finish at same campus)

- Biomedical Engineering Tech – **NK**
- Electrical Engineering Tech – **FE, ER, YK**
- Mechanical Engineering Tech – **DS, ER, YK**
- Surveying Engineering Tech – **GA, WB**
